Morrow Regional Office Moving To Tradeport

ATLANTA – The Georgia Department of Revenue Morrow regional office is moving to Tradeport in South Atlanta effective Nov. 19.

The new office, which will be called the Atlanta Regional office, is located at 4245 International Parkway, Hapeville, GA. The telephone number is 404-362-6422.

In addition to providing service for all of Fulton County, the office will continue to serve taxpayers in Butts, Clayton, Fayette, Henry, Pike and Spalding counties

“We believe our new location will allow us to better serve our customers in the northern part of our service area,” said office manager Christy Archer.

The new office is located east of Interstate I-75 at the intersection of Aviation Boulevard and International Parkway.

“Individuals coming to the office should use exit 239 off of I-75,” Archer added.
